SUMMARY

A fresh face and mind in the design world, I've studied at Fanshawe College in London Ontario as a stepping stone to a career in graphic and web design. Diverse and well rounded in digital media design, development, and production, I provide businesses with visual solutions to express their brand message. With a wide skillset, I'm able to assist clients with all their visual needs.

OBJECTIVE

To work with you to create beautiful, effective, meaningful visual and web designs that communicate your brand message in a fresh new way
